Dear Sir,

The above referred "Letter of Acceptance" has been received and accepted by you. Now, the work order for the above job is placed on you on the terms & conditions stipulated in the tender documents & under the following conditions:

1. Your offered rate @ 1.88% (one point eight eight percent) below than the rates as shown in the specific price schedule of work (B.O.Q.) in the Financial Bid folder is applicable for the work.
2. You have to urgently submit to Shri Mahadeb Mal, Zonal officer (Central), GCGSCL the work programme in the form of CPM Network and/ or Bar Chart in duplicate.
3. You have to plan & execute your entire activities according to the availability of site, traffic barrications, directions, from Civic authorities/Police, instruction of our site engineers/Z.O.(Central)/any other authority of GCGSCL etc.
4. All safety measures shall be taken by you during the course of work in respect of both the pipe lines and the personnel etc. and you will provide all the safety arrangements to your personnel at the site and GCGSCL will not be responsible for any kind of accident if any including of your personnel during the course of work for the job.
5. You have to mobilize complete Electro Fusion units/welding machines (preferably 2 nos.) with all required accessories and trained/qualified/experienced operator to operate the said machines satisfactorily at work site for sound jointing of

-2-

MDPE pipes & fittings as per requirement of the job during execution of the work.

6. After bringing into notice of yours you will have to rectify/redo within the stipulated period exclusively at your cost and risk any defect in your work, if found and have occurred at any stage during execution of the work and subsequent retention period of security deposit with us.

7. The completion time for the entire job in all respect is 45 days from the date of issue of this work order but subject to the conditions so stated in the said Nlet/Tender.

8. This work order will constitute a part of the contract agreement to be entered with you for this work.

9. Your security deposit shall be retained with GCGSCL for a period of 18(Eighteen) months from the date of satisfactory completion and commissioning of the job. This security deposit shall be released as per terms & conditions of the contract.

10. You shall have to abide by all the Govt. rules & regulations and the rules and guide lines of GCGSCL so framed from time to time as may be applicable for this work.

11. All precaution should be taken during execution of the entire work to avoid damage of all other utilities like water/electricity/telephone/sewer etc. If any damage takes place it has to be repaired immediately at your own arrangement, cost & risk.

12. The length of laying of pipe line may vary on either side depending on the actual condition of the site. The payment of supplying and laying of accepted RCC slabs ( Ref. BOQ item no. 15.00) shall be made based on actual quantities used during execution at site.

13. R.C.C slab:

R.C.C slabs should be made as per drawing & specification mentioned in the tender documents. The test result of the concrete used for the slabs should be in-conformance with the I.S code 456:2000. The test specimen i.e cubes (150mm.X150mm.x150mm.)of the concrete so used for slab casting should be tested at the recognized government laboratory /institute at your own cost and risk and the test results are to be submitted to our A.Z.O, Civil or his authorized representatives before permitting use of the slabs for the job by Z.O(Central)/E.I.C. One sample of concrete cube and slab of each batch duly marked by you should also to be submitted to A.Z.O.(Civil) at Rajabazar office.

14. Drawing:

You have to submit the completion drawing as per guide line of GCGSCL in triplicate with the original tracing duly approved by the Zonal Officer(Central) alongwith hand over- taken over documents after completion of the job and before preparing the final bill.

15. You have to produce air testing certificates duly signed by Z.O.(Central) before submission of the bill.

16. You are also advised to comply with the following:

- i) To submit the document of labour license issued by the Labour Department, Govt. of W.B. under contract and labour (Regulation and Abolition) Act. – 1970 and W.B. Contract Labour Abolition and Regulation Rules 1970 and time to time amendment thereof.
- ii) To get your establishment registered under the Building and other Construction Works (BOCW) Act, 1996 and Building and other Construction Workers Welfare Cess Act 1996 and Rules framed there under & submit the documents thereof.
- iii) Execution of an agreement with GCGSCL on the prescribed format on a non judicial stamp paper worth of
